Spotlight by Starlight Features Jed Duvall as Paul McCartney

If you're a fan of Sir Paul McCartney, you might be surprised that Jed Duvall isn't the real thing. The award-winning tribute artist recreates music icons so accurately that fans call it "uncanny." Duvall will perform on Wednesday, July 24, 2013 at the Mason District Park Amphitheater. The free show will run from 7:30 to 8:30 p.m.

With a long history of tribute acts, having portrayed Elvis and Johnny Cash in the past, Duvall has added McCartney to his repertoire. He separates himself from other tribute artists with a rigorous eye for authenticity and accomplished skills as a musician and singer. Working tirelessly to perfect his act, he tries to give the most genuine show possible. He goes through books, films, and documentaries until he knows a musician inside and out.

The Mason District Park Amphitheater is located at 6621 Columbia Pike in Annandale.

The Summer Entertainment Series is presented by the Fairfax County Park Authority in partnership with the Fairfax County Board of Supervisors, and with generous contributions from local businesses and corporations.
